## Mission

Roswell Woman's Club is an all-volunteer, nonprofit service organization whose common interest is to support our community in the areas of educational scholarships and grants, human services, cultural arts, historical preservation, and urban improvement in North Fulton County. Our dedicated membership accomplishes this through hands-on involvement, volunteerism in the community, and monetary contributions through fundraising.

## History

In 1948, a group of 30 woman organized Roswell Woman's Club. The club incorporated as a 501(c)(3) nonprofit organization in 1979 and currently averages 200 members who volunteer thousands of hours annually.
